Representatives of Our Parents

We, the seniors of the class of 1954, dedicate this yearbook to our parents, who have willingly and unselfishly devoted themselves to providing an education and a country of freedom and opportunity for us; and to Rev. Mrs. Dillon, who has been a spiritual inspiration in this community; and who was chosen to be the Nebraska Mother of the Year of 1953.

This book is dedicated with the hope that it will help express our gratitude to our parents and to Mrs. Dillon.

Dear Mrs. Bill Bernard

Do you remember teaching the class of 1942? That class is the seniors of today. Coming to the school house on that first day were; Ruth Weber, Emile Verzani, Arnold Hattig, Pat Davey, Stanley Leigh, Joy Meyers, Jon Olson, Mona Polkinghorn, Judy Hall, Doyal Mabeus, Sally Lowe, and Larry Lowe.

Things went very well and after the first semester Velma Bergerson joined the Indian tribe from South Dakota. At the end of the first year the Indians lost a good member of the tribe, Sally Lowe.

Following the first grade experiences came summer vacation and then the second year. Our second grade teacher was Mrs. Zeta Pack. The class didn't gain or lose any members during the second year. On the day before our picnic Mrs. Pack gave us a reading test. It was a hard test and we will never forget it.

Mrs. Erma Peterson taught this tribe of Indians in 1944 when George Greschke joined us from Martinsburg. Francis Adams, Merle Malcom, and Arnold Johnson also joined us this year. Larry Lowe left the first part of the third grade. Just after school was out Arnold Hattig left our Indian tribe. Pat Davey's dad took us out to the park in his truck on the day of our picnic.

It seems as though Pat Davey was not very interested in school for every chance he got he would run home. Each time he went for a drink he didn't come back. We guess he never did change.

Entering school for our fourth grade we were greeted by Miss Shadbolt. This year we received a very good classmate, Yvonne Curry. She has been very faithful to the tribe. Claudette Hirschman also joined us.

At the middle of the year Sally Lowe returned to Ponca. We also gained Jeanette Taubert.

During our fifth grade year we didn't gain or lose anyone. Mrs. Taplett was our teacher. This year was a good one for those of us who liked to draw. Mrs. Taplett was an exceptionally good art teacher.

Miss Mendenhall was our sixth and seventh grade teacher. During the sixth grade Curtis Colbenson, Arnold Hattig, Donna Stark, and Bonnie Fravel came to Ponca. Ruth Weber left.

When thinking back to the eighth grade it brings back a lot of memories. Miss Doyle was our teacher. Carol Bates joined us during this year. One of our exciting moments was when everyone would bring one piece of fruit and then we would have a fruit roll. At mid year Donna Stark left.

One evening during this year the lights were still burning at 6:00 o'clock. Some member threw an eraser and therefore the class had to stay in until someone would confess.

After summer vacation we came back to school, our first year in high school. The class increased in number. Our new classmates were: Evan Backman, Maxine Beith, Merle Bird, Larry Lowe, Pat Rush, and David Harder. "Coach" Watchorn was our class sponsor. Freshmen initation was conducted in a courtroom with a judge and jury. We were placed in the middle of the auditorium floor and then had to walk to the front for trial.

Our sophomore year was just another grade in school. Our superintendent that year was Mr. G. L. Hansen. Jeanene Stallbaum came to join our tribe from Missouri. Mr. Cooper was our sponsor.

Beginning our junior year started a lot of excitment. On Slouch day we went to the Sioux City Airport. Next came our junior class play. The play was a success. In the last part of April our class entertained the seniors at an annual banquet. Our theme was western. Our junior sponsor was Mr. Couture. During this year we lost Jeanette Taubert, Doyal Mabeus, Claudette Hirshman, David Harder, and Judy Hall.

After summer vacation we came to school for our last year. This year it was our turn to initiate the freshmen class. Our senior sponsor was Mr. Hansen. In late Spring our senior class play was held and we went on sneak day. The junior class gave us a very good banquet. The banquet was held in the high school auditorium.

This ends a long journey through our school days together. May we all hope for a successful future.

Sincerely yours

THE SENIOR CLASS OF '54

THE TALLY

It isn't the job we intended
to do
Or the labor we've just begun
That puts us right on the
ledger sheet;
It's the work we have really
done.

Our credit is built upon
things we do,
Our debit on things we shirk,
The man who totals the biggest plus
Is the man who completes his
work.

Good intentions do not pay
bills;
It's easy enough to plan.
To wish is the play of an
office boy;
To do is the job of a man.

The ensemble groups are a valuable aid in training school musicians in group playing. It helps them to develop phrasing, individual confidence, develops their musical sense and as a result the entire band usually benefits.

Ponca's ensembles have helped to improve the band's musicianship considerably.

The band's and girl's chorus are considered as extra-curricular activities. Each group meets three times a week and several times during each day, as sections, to rehearse and smooth over problems that can't be done during the regularly scheduled band and chorus rehearsals.

Pep Club

Mary Winger
Secretary

The name the Pep Club has chosen for their group is "Indianettes." The motto they have chosen is "Do your job and do it well." They have set up rules and by-laws by which all members must abide. They have set up a point system as a way of earning a letter. The purpose of the organization is to support the team and to promote school spirit among the student body and ourselves.
